From the President

Hi Everyone,

I hope everyone is enjoying the new CDB Volunteers website. It is different but so easy to keep up with things now.

This year has really flown by. I can't believe Thanksgiving is this week & I have not even started to get ready for Christmas. With all my kids & grandkids I think I had better get started soon. This week I am working on getting the museum decorated for Christmas so it will be real pretty when Charlie & all the fans come to celebrate Charlie's new Christmas CD & DVD November 23rd before the Christmas for Kids show at the Ryman. I am looking forward to seeing everyone. While you are there check out the Café/Ice Cream Shop my son Shawn has opened on the first floor.

Charlie sure has had a wonderful year. I was so fortunate to be able to be there to see him be inducted into the Musician's Hall of Fame. To have Dickey Betts present him the award & the two of them play together really made the night. What a beautiful day it was when Charlie received a star on the Walk of Fame. We were so proud of him. Two of my grandchildren were with me & were so excited to get to meet Kid Rock. (Mema was too). Charlie has made all our lives a JOY. By the way Hazel looked beautiful that day, as always.

Will all of the Century Club members please contact me? I may have missed one on my list. Charlie has a special 50 yr commemorative coin for you.

Hurry and get your contest answer in. The American Flag Guitar will make a great Christmas gift.

I hope everyone has a Wonderful Blessed Thanksgiving and Christmas.

Love & Blessings,

Ginger

A LETTER FROM CHARLIE

Help Ya'll

Can somebody please tell me where the year has gone, all of a sudden I'm turning 73, the leaves are starting to turn, there is a chill in the air and another year of my life has gone by.

It's been a great year and we've done some interesting things. We took another trip to Iraq and Kuwait to entertain our men and women in uniform; we played our first date in china doing a concert for some folks in Hong Kong and went back to Korea to visit more of our troops.

God is so good to me. Last year I was inducted into the Grand Ole Opry, and this year on October 12 I was inducted into the Musician's Hall of Fame, which is an extreme honor to me.

We made another CD, and it's called Joy To The World, a bluegrass Christmas with Charlie Daniels and friends and it just came out. It features a lot of very talented people like The Grascals, Kathy Mattea, The Cox Sisters, Aaron Tippin, Jewel and Dan Timinsky doing a version of a Christmas song that will put you in the mood for a bluegrass Christmas shore enough.

So far I've traveled over one hundred thousand miles with still quite a few more to put in before we call it a year.

By the way, all you century club members we have something for you. It's a fifty year commemorative coin and we want all of you to have one. Give Ginger a few weeks to get them mailed out and if for some reason you don't get yours let Ginger know and we'll get it out to you. It's just our way of saying thanks again for attending 100 shows over the years.

Well I guess that about does it on this end, hope ya'll have a blessed and wonderful Christmas and hope to see you soon.

God bless
