**Ginger's mother "Miss Ginny",
celebrates her 94th Birthday.
What a Blessing.**

From the President

Hi Everyone,

This year seems to be flying by. We are having a beautiful Spring here in TN. The trees are full and the flowers are blooming. Our Iris are beautiful this year and spreading everywhere. Bobby had much rather be fishing than doing yard work but he manages to work it in when the weather isn't very good.

The CDB Family Reunion will be here before you know it. I am looking forward to seeing everyone. We are working on some new shirt designs & they will be ready for the party. Hope you all will like them.

All our prayers for Charlie have been answered. He is doing very well & getting back in the touring mode. There are lots of great shows coming up. All the Sean Hannity shows include my SECOND favorite band LYNRYD SKYNYRD. Hope I get to one this year.

Check out the contest & get your entry in before the party. If you win and you are there, Charlie will present you with your prize of a beautiful CDB belt buckle.

As you can see in the picture my Mother celebrated her 94th Birthday and is doing wonderful. The family is so blessed to have her with us. All the grandchildren keep her young.

See you all soon.

Lots of Love & Blessings,

Ginger

P.S. Don't forget to renew your membership.

A LETTER FROM CHARLIE

Well Hello Y'all,
It's hard to believe that another spring has sprung but here it is and stuff is popping out all over the place, the sun has been shining and the temperature has gotten up to eighty degrees. It's been a long hard winter and all this pretty weather is wonderful to see.

Seems like the government gets a little bit crazier every day and they act as if they have an endless supply of money to throw around. It's a mystery to me that an outfit that can't even run a simple postal service thinks they can run car companies and health care. Oh well.

We'll be doing the Sean Hannity Freedom Tour again this year in August along with Michael W. Smith and Lynyrd Skynyrd. It should be a whale of a show. Hope you can catch one of them.

Several of you have been kind enough to inquire about my health after the small stroke I had back in January. I thank you for your prayers and I am happy to say that I'm doing good and ready to do another good touring year.

I'll be looking forward to seeing you all in Mount Juliet this year for the fan club get together. To me it's kind of like a family reunion. I get to see so many people that I've come to know and love over the years. It's a very special time for me.

We'll be looking forward to seeing y'all around the country this year as we go on tour, and I want to thank you all so much for all the support you've given us through the years.

God bless you all

We'll talk again soon

Love,

Charlie
